A member of the public has asked if we could discuss possible signage at the double bend leading to Cave Crossings to warn cyclists to stay to the side of the road, as they seem to have been cutting the corners, which is unsafe and causing risks of an accident. Clerk said that an email had just come through from Newsholme Xmas Trees, quoting a price for this year's tree. It was agreed to order at least a 20ft tree with delivery, but if a larger tree could be located it would be better. Clerk emailed straight back and awaits reply.

Also noted by all present that due to the ongoing pandemic, there obviously would be no tree event this year, but tree and VH lights to put up ready for 01.12.20 switch on.
