5. **Revisit planning 21/03408 & 21/03409 Land north of level crossing**

The Council were asked to look into the planning applications as the deadlines were extended. As we had missed the original deadline, we contacted ERYC to ask if we were still ok to make a comment, with the deadline extended, which was ok'd. Planning applications were discussed referring to ERYC Local Plan and with input from the MOP, valid points were raised about why the planning applications should be opposed. 1. Applications are outside the village development area. 2. Applications area in a Flood Zone 3. 3. The Site is located on agricultural land in the countryside. 4. Inadequate fence between proposed site and the protected playing field. 5. Inadequate water / drainage course.

It was decided to object the planning on the above grounds. Clerk to process on ERYC planning portal. ERYC will make the final decision on these planning applications.
